41th Annual Conference

Montreal, Canada

May 26-28, 2016

The Economic and Business History Society (EBHS) is now accepting proposals for our 41th Annual Conference, to be held at the Hyatt Regency Hotel- downtown Montreal. Proposals for presentations on any aspect of ancient to recent economic or business history are welcome, as are proposals for whole panels. We welcome submissions from graduate students and non-academic affiliates. The 41st Annual Conference will also include a French track. La 41ième conférence annuelle accueillera des propositions et présentations en français comme en anglais.

The EBHS conference offers participants the opportunity for intellectual interchange with an international, interdisciplinary, and collegial group of scholars (typically about half our participants are from economics departments and half are from history or economic history departments). The EBHS prides itself on its openness to new members and we offer reduced conference fees for graduate students and early career researchers (four years or less since doctorate earned). Our regular registration fees are reasonable, as is the cost of accommodation at the conference venue.

In addition to the sessions, there will be some activities that should be of interest to all participants. These include a tour in some famous historical parts of Montreal. Of course, in keeping with the collegial nature of EBHS,
there will be plenty opportunities for informal social activities within walking distance from the downtown-located Conference, including museums, fine restaurants, shopping outlets, the Old Montreal (http://www.vieux.montreal.qc.ca/), as well as many festivals.

Proposals, in English or French, should include an abstract of no more than 500 words and contact details. The deadline for submission of proposals is February 15, 2016. The Program Chair will send a notification of acceptance of abstracts by March 1, 2016. Online registration will be available soon at www.ebhsoc.org.

Proposals may be submitted through the EBHS website at www.ebhsoc.org, by email to ebhs2015@ebhsoc.org, or to the Program Chair by postal mail (not preferred):

EBHS also operates a peer-reviewed open access journal, Essays in Economic and Business History, edited by Jason Taylor (Central Michigan University). Conference papers and non-conference papers alike may be submitted to Essays for consideration. We invite you to visit our website, www.ebhsoc.org, to see our editorial board and policies, as well as back issues.

We look forward to welcoming you to Montreal!

EBHS hosts **Economic and Business History News**, an open access Facebook forum which publishes news, and calls for papers, related to economic and business history (www.facebook.com/EBHSNews). Its mission is to promote the fields of economic and business history and disseminate information about relevant events in the profession.
